

Bring the Bank to Your Customer's Doorstep With

Mobile Bank Branch[®] by Payten

New circumstances call for new flexibility. Thanks to the new solutions, you can now have cost effective „bank on wheels“ that goes wherever your customers are, with no need to pay high costs of having a classical bank branch. The mobile branch offers the same range of services as any other branch, with the flexibility to choose the routes where branch services are needed.

MOBILE BRANCH COSTS SEVERAL TIMES LESS THAN THE TRADITIONAL ONE, AND PAYTEN OBTAINS ALL THE CERTIFICATES REQUIRED FOR PROPER OPERATIONS INSTEAD OF THE BANK.

PAYTEN MOBILE BRANCH IS A FLEXIBLE, TURN-KEY SOLUTION in a „B“ CATEGORY VEHICLE with:

- No restrictions for entrance in urban areas
- No need for a professional driver
- No need for a digital tachograph

A COMPACT, FULLY FUNCTIONAL BRANCH has it all:

- ATM,
- Office desk and chairs for employee and client,
- Deposit safe,
- Credit card instant-issuing,
- LCD TV,
- Generator,
- Video surveillance & alarm.

ABOUT THE VEHICLE:

- "B" Category
- ESP - vehicle stability control system
- ABS - anti-lock braking system
- AFU - system for emergency braking
- Board computer
- Central lock system
- Reinforced Suspension
- AC

PAYTEN MOBILE BRANCH IS FULLY CUSTOMIZABLE!

- It can be completely branded to support your marketing initiatives
- Size and features are adaptable to client's requests

VEHICLE SECURITY HIGHLIGHTS:

- The vehicle exterior is protected by video surveillance and light and sound signalisation.
- GPS monitoring system is integrated to provide the exact location of the vehicle.
- Inside space protection includes motion, glass break and smoke detectors.
- Alarm system has 10 to 15 weeks' autonomy without charging thanks to an independent battery.

MOBILE BRANCHES ARE ALREADY BRINGING SUCCESS TO MANY BANKS IN THE REGION!
